IMPORTANT MESSAGE: This invoice represents unbilled property tax on your leased equipment. In instances where your lease may have terminated, our records indicate you were in possession of the equipment when your local authority assessed the property tax. Pitney Bowes has paid the property tax for this assessment date. It is now due and payable by you, in accordance with the terms and conditions of your agreement.

Please refer to the "Lien Date" in the detail section of your invoice to verify the property tax assessment date. If your lease was active on this date, and the equipment was in your possession, the property tax reimbursement is now due to Pitney Bowes. The amount due is your annual payment, except for Michigan, which bills twice a year.

ADDITIONAL INFORMATION: Sales Tax is charged in accordance with state laws on business expense reimbursements. Sales Tax exemptions are not applicable to Property Tax. The Admin Fee is based on the contractual terms & conditions of your contract.

Per the terms of your agreement, Pitney Bowes charges an Administrative Fee for property tax amounts over \$5.00. The fee covers Pitney Bowes' costs to prepare and file the required property tax returns to the appropriate tax authority.
